

The Evil Book - English Short Stories for Kids

Anne walked into the little toy store and bought a story book about vampires, witches and were wolves. That night, Anne read the first story.

English Short Stories for Children

It was about a vampire that sucked human blood. As soon as she put the book down after completing the story, she heard a scratching at his window. She looked up and saw an ash-faced man, with beetroot lips and two protruding dagger like teeth staring at her.

The Evil Book Online Short Stories

Anne screamed in terror. When her parents came running and went to check, the windows was empty.

Short Stories for Kids

There was no one. Next day, Anne read the second story about evil witches who locked up little boys. As she was going to bed, she looked up at the window. She could not believe her eyes. An ugly old woman with a crooked hat started at her.

The Evil Book Short Stories for Kids

Anne ran to call his parent. Her parents too saw the witch and believed her. Then her father found the evil story-book and threw it in the fire.

English online Short Stories for Kids

As the book was burning, the witch disappeared.
